CC-2015-13 Zoning Text Amendment, Section 19-802 Off-Street Parking Space Requirements for Elementary Schools Table 19-802 and Section 19-807 Vehicular Use Area Design Standards to Allow Use of Occasional Parking for Visitor Parking Requirements.

Section 19-807. Vehicular Use Area Design Standards for Uses Other Than Single-Family or Duplex Uses.

F. Paving

1. Vehicular use areas surfaced with asphalt, concrete, bituminous, or other alternative paving material, including grass pavers, porous concrete, and other similar materials, subject to approval by City Engineer; however gravel or similar material are not allowed except for areas used for overflow, special events, and peak parking **occasional parking as permitted in Table 19-802**. Off-street parking facilities shall be surfaced with concrete, asphalt, brick or paving stones.
2. Off-street parking areas shall be maintained in a clean, orderly, dust-free, and weed-free condition at the expense of the owner or lessee and not used for the sale, repair, or dismantling or servicing of any vehicles, equipment, materials, or supplies.
3. All access ways and aisles shall be clearly identified.
4. Any barriers associated with occasional parking shall be no closer than six feet from any tree.
