I would like to request consideration of a December parking waiver by Council for the November 23, 2015, Clemson City Council meeting as follows:

A request from the Clemson Business Council, a committee of the Clemson Area Chamber of Commerce, to consider a waiver of downtown parking time limits for the city's parking garage spaces and extend time limits to four hours on College Avenue and side streets to promote Christmas shopping with downtown merchants from December 12, 2015 through January 3, 2016.

Thank you,
