TO: City Council

RE: 104 Wigington St, Clemson, SC

Date of Hearing: December 5<sup>th</sup> at 5:30pm

Council Members,

This memo is intended to give you an overview of the proceedings that led to the scheduling of this suspension hearing. The property located at 104 Wigington Street has received convictions of 4 noise violations in less than 2 years. It should be noted that the police have been called to this residence 32 times since September of 2014 and 60 times since November of 2008. I bring this up to point out that the police have issued multiple warnings to this property giving them every chance to change their behavior. In reviewing the attached Police Call Log you will notice two Criminal Sexual Conduct charges however both of these cases ended without conviction. You will also notice a stabbing charge and this case has not gone to trial yet.

In addition to the Police Call Log for 104 Wigington Street, the Disposition Sheet for each of the four Noise Violations has been attached as well as my letters to Tal Slann sent after each of the incitements informing him of the ramifications.

This property is comprised of three houses located on one lot. Each house has a separate Rental License. This revocation would only affect 104 Wigington. It will not affect 104A or 104B.

Based on the history of unlawful behavior and the failure of tenants or the property owner or property manager to modify behavior to be in compliance with the reasonable laws established by the Rental Housing Ordinance and based on the fact that the City has followed the rule of law in this matter, it is this department's recommendation that the license be suspended for one year starting on 8/1/17. This is the day after the current lease expires.

The property manager has stated that he does not feel the property owner should be penalized for the action of his tenants. He makes the point that most of the previous license suspensions have been due to occupancy violations that were condoned by the property owners. It is true that to the best of our knowledge all suspension hearings were based on occupancy

violations but it is not true that a property owner has no control over their tenants. A lease can stipulate that if the tenant violates the law while on the property that the tenant can be evicted. The property manager/owners must be expected to work with the city in protecting our neighborhoods.

The fact of the matter is that the reason no one has ever been brought before Council for a suspension hearing based on noise, litter, parking, under-age drinking, violence, and other criminal acts, may be that the property owners were motivated to modify the behavior of their tenants. In the last three years at least three properties have been declared “potential problem property” (the last step before revocation) and in all cases the property owner/manager found a way to avoid an additional conviction. In this case, the repeated warnings did not impact the behavior of the property owner or tenants and led to the outcome prescribed by law.

RE: 104 Wigington St, Clemson, SC

Dear Mr. Slann:

This letter is meant to inform you that the property at 104 Wigington St. has had two noise violations in the last two years one occurring on 9/27/15 and the other on 2/27/16. If a third offense occurs at this location this property will be formally identified as a potential problem property. If a fourth offense occurs within 12 months, the location being declared a potential problem property will have a suspension hearing scheduled with City Council.

An offense is any violation of City of Clemson, state or federal statutes or ordinances. That being said there are currently two pending criminal hearings for alleged offenses that occurred on the property. On 4/19/15 it is alleged that a criminal sexual conduct and kidnaping occurred on the property. On 4/10/16 a stabbing is alleged to have taken place on the property. If either or both of these criminal complaints end in conviction they would count as the third and potential fourth offense. Four offenses can be grounds for revocation of the rental license for this property.

Please contact me with any questions or concerns.

NARRATIVE	On the above date and time, I was dispatched to the area of North Clemson Av and Wigington St, in reference to a loud party.														
	While patrolling the area, I could hear a loud party, when I was on North Clemson Avenue. After patrolling the area, I located														
	the source of the noise coming from 104 Wigington Street. When I approached the party, I instructed a male at the party to														
	locate the president of the fraternity. Due to my prior experiences with the residents, I knew that the residence was a fraternity														
	house. A short time later I made contact with Mr. James A. Enter, the fraternity social event officer, and Mr. Mark A.														
	Schimmoeller, the president of the fraternity. I then informed the two males to shut down the party, and then come to my patrol														
	vehicle. While I waited for the party to shut down, dispatch advised that there were two prior noise violation notices issued to														
	the residence in the month of September. Once Mr. Enter and Mr. Schimmoeller returned to my patrol vehicle, I informed the														
males, that I would be issuing a citation for the noise violation. Mr. Enter stated that he would take the citation. I then issued															
and explained the citation to Mr. Enter. When Mr. Enter stated that he understood, he was released without further incident.

On the above date and time, I was dispatched to the area of Wigington Street, in reference to a loud party. When I arrived in the area, I heard loud music, and located the source of the noise coming from 104 Wigington Street. When I exited my vehicle I could hear extremely loud music, and a lot of people in the rear, fenced in area behind the residence. I then made contact with Mr. Austin T. Busch DOB 02/12/1995, who stated that he was in charge of the party. I then instructed Mr. Busch to shut the music off, and tell everyone that the party was over. Mr. Busch stated that he would. I instructed Mr. Busch to return to my vehicle after he did. I then radioed dispatch and asked if there were any previous Noise Violation Noises issued to the residence. Dispatch stated that there were five previous ones, and the last one was issued earlier in the night by Officer Frederick. When Mr. Busch returned to my vehicle, I issued and explained Mr. Busch his citation. When Mr. Busch stated that he did not have any questions, he was released. The party was dispersing when I left, and the music was shut off. Mr. Busch was issued a citation on UTT 20160540000759 for a Noise Violation. Another Noise Violation Noise was issued to the

On the above date and time, I was dispatched to the area of Wigington Street, in reference to a loud party. When I arrived in the area, I heard loud music, and located the source of the noise coming from 104 Wigington Street. When I exited my vehicle I could hear extremely loud music, and a lot of people in the rear, fenced in area behind the residence. I then made contact with Mr. Austin T. Busch DOB 02/12/1995, who stated that he was in charge of the party. I then instructed Mr. Busch to shut the music off, and tell everyone that the party was over. Mr. Busch stated that he would. I instructed Mr. Busch to return to my vehicle after he did. I then radioed dispatch and asked if there were any previous Noise Violation Noises issued to the residence. Dispatch stated that there were five previous ones, and the last one was issued earlier in the night by Officer Frederick. When Mr. Busch returned to my vehicle, I issued and explained Mr. Busch his citation. When Mr. Busch stated that he did not have any questions, he was released. The party was dispersing when I left, and the music was shut off. Mr. Busch was issued a citation on UTT 20160540000759 for a Noise Violation. Another Noise Violation Noise was issued to the

NARRATIVE	On 10/02/2016 I recieved a call about a noise complaint at 104 Wigington Rd. in the City of Clemson. As I was approaching													
	Wigington Rd. on N. Clemson Ave. in after game traffic I could hear radio music coming from 104 Wigington. When I arrived I													
	met with Tyler Austin Busch who stated that he was in charge. After talking to him I learned that he had a registered party at													
	that location, however the registration ended at 0100 hours and it was 0240 when I arrived at the location. I issued citation													
	20160540005229 to Busch for violating the city noise ordinance. Officer Davis' body camera was operating during this													
	encounter and a copy of the video has been entered into evidence at the Clemson Police Department.
