

# CLEMSON AREA CHAMBER OF COMMERCE

To: City Clerk Beverly Coleman

November 29, 2016

I would like to request consideration of a December parking waiver by Council for the December 5, 2016 Clemson City Council meeting as follows:

A request from the Clemson Area Chamber of Commerce, to consider a waiver of downtown parking time limits for the city's parking garage spaces and extend time limits to four hours on College Avenue and side streets to promote Christmas shopping with downtown merchants from December 17, 2016 through January 8, 2017. These dates correspond with the period that Clemson University students will be on their Holiday break.

Thank you,

David Lane
