REJECTED REVERSE AND RESUBMIT
 CORRECTED FURNISH AS CORRECTED

Corrections or comments made on the shop drawings during this review; do not relieve contractor end/or subcontractor/vendor from compliance with requirements of the drawings and specifications. This check is only for review of general conformance with the design concept of the project and general compliance with the information given in the contract documents. The contractor is responsible for: confirming and correcting all quantities and dimensions; selecting fabrication processes and techniques of construction; coordinating his work with that of all other trades; and performing his work in a safe and satisfactory manner.
