Regarding Recent Break-ins

The CPD is asking all citizens to use good common sense?..

The Clemson Police Department is asking all citizens to use good common sense security measures. There have been individuals committing home robberies, thus far at apartment complexes.

The only information known to this point is three to four black male subjects or both black male and white male subjects, each time have knocked on doors and been allowed to enter.

The individuals were all wearing black ski type masks and or a white `scream` type of mask. Some of the subjects have been armed.

The Police Department is asking everyone to:

1. Know who you are letting into your residence
2. Be cognizant of your surroundings
3. When walking, running or riding a bicycle after dark do not do so alone
4. Notify the Clemson Police Department anytime you observe a vehicle or person that you feel may be acting suspicious
